

Gauge ABB Pressure Transmitter 261GC, 261GG, 261GJ, 261GM, 261GN

Our Product Introduction

for more products please visit us on psa-generators.com

Basic Information

- Brand Name: ABB
- Model Number: 261GC, 261GG, 261GJ, 261GM, 261GN

Product Specification

- Customized Support: OEM
- Mounting Bracket: 316 Stainless Steel
- Supply Voltage Effect: 0.005% Span Per Volt
- Output Signal: 4~20mA
- Measurement Range: 0.1...0..100MPa
- Power Supply: 24VDC
- Operating Temperature: 40~85
- Electrical Output Signal: DC 0 ... 10
- Highlight: **ABB Pressure Transmitter 261GJ,**
ABB Pressure Transmitter 261GM,
abb gauge pressure transmitter 261GG

Product Description

Gauge pressure transmitter 261GC, 261GG, 261GJ, 261GM, 261GN

The compact transmitter class for gauge pressure and level with frontbonded diaphragms works within a broad selection of variants, options, fill fluids and wetted materials.

Overview

The compact, robust transmitter housing is made of 316 stainless steel as a standard. Due to its high corrosion resistance it can be used in a wide variety of process and ambient conditions without any problems.

The user friendly display allows simple and intuitive local transmitter operation. Full device support, including diagnostic / maintenance information is guaranteed via the Device Type Manager software used in either a stand alone or system engineering tool. The transmitter provides local zero and span adjustments even without display.

The wide range of available process connections meets even special industrial requirements:

- Threaded connections: e.g. for the power, pulp/paper, or oil and gas industries
- Flange connections: e.g. for the chemical industry
- Hygienic connections: e.g. for the pharmaceutical or food and beverages industries

Data

Our Product Introduction

for more products please visit us on psa-generators.com

Base accuracy: $\pm 0.1\%$
Span limits: 6 to 60000 kPa; 24 inH₂O to 8700 psi
Output signal: 4 to 20 mA, HART
Conforms to SIL2 acc. to IEC 61508 / IEC 61511
Full compliance with PED Category III
