

ABB Gauge Pressure Transmitter 261GC, 261GG, 261GJ, 261GM, 261GN

Our Product Introduction

for more products please visit us on psa-generators.com

Basic Information

- Brand Name: ABB
- Model Number: 261GC, 261GG, 261GJ, 261GM, 261GN

Product Specification

- Customized Support: OEM
- Mounting Bracket: 316 Stainless Steel
- Supply Voltage Effect: 0.005% Span Per Volt
- Output Signal: 4~20mA
- Measurement Range: 0.1...0..100MPa
- Power Supply: 24VDC
- Operating Temperature: 40~85
- Electrical Output Signal: DC 0 ... 10
- Highlight: **abb gauge pressure transmitter 261GJ, gauge pressure transmitter 261GM, gauge pressure transmitter 261GC**

Product Description

Gauge pressure transmitter 261GC, 261GG, 261GJ, 261GM, 261GN

The compact transmitter class for gauge pressure and level with frontbonded diaphragms works within a broad selection of variants, options, fill fluids and wetted materials.

Overview

The compact, robust transmitter housing is made of 316 stainless steel as a standard. Due to its high corrosion resistance it can be used in a wide variety of process and ambient conditions without any problems.

The user friendly display allows simple and intuitive local transmitter operation. Full device support, including diagnostic / maintenance information is guaranteed via the Device Type Manager software used in either a stand alone or system engineering tool. The transmitter provides local zero and span adjustments even without display.

The wide range of available process connections meets even special industrial requirements:

- Threaded connections: e.g. for the power, pulp/paper, or oil and gas industries
- Flange connections: e.g. for the chemical industry
- Hygienic connections: e.g. for the pharmaceutical or food and beverages industries

Data

Our Product Introduction

for more products please visit us on psa-generators.com

Base accuracy: $\pm 0.1\%$
Span limits: 6 to 60000 kPa; 24 inH₂O to 8700 psi
Output signal: 4 to 20 mA, HART
Conforms to SIL2 acc. to IEC 61508 / IEC 61511
Full compliance with PED Category III

 18626217683
